Dear Community Member,

We are appealing for your support in our 2024 Silent Auction and Social for Amanda's House – a beacon of hope and transformation for women and their children in need. Your support will directly contribute to our efforts to secure a larger facility that will offer services to the families on our long waitlist.

Under the Mandolin Foundation, a 501c3 non-profit organization umbrella, Amanda's House is committed to providing safe and supportive transitional housing for women in recovery and their children. Since its inception on March 16, 2022, it has grown into a two-year transitional living program, offering unwavering support to those on the journey of recovery from substance use and mental health disorders.

Our mission is to provide a haven for women and children as they navigate the path to sobriety. Our dedicated staff offers life skills training, substance use and mental health advocacy, and connections to community resources. By fostering an environment of security and nurturing, we empower these families to rebuild their lives, embracing a future filled with promise and possibility.

For this event, Amanda's House is requesting *any* monetary donation, gift cards/gift certificates, and/or products for silent auction baskets. Please give your donation and contact information to the individual with this letter. We will send a thank you letter and a tax-deductible donation receipt.

If you have any questions or concerns, please contact us at 920-737-1884 or mandolinfoundation@gmail.com.

Thank you for your kindness and generosity.
